PROFESSIONAL SUMMARY

Graphic designer with broad experience delivering brand-consistent print, packaging, and digital formats. Highly proficient in Adobe Creative Suite (Illustrator, Photoshop, and InDesign) - with a strong grounding in visual communication, brand guidelines, and quality control. Proven ability to manage multiple projects to tight deadlines with precision, collaborate across creative teams, and deliver polished, production-ready outputs to an exacting standard.

EXPERIENCE

Graphic Designer & Product Developer Feb 2026 - Present

Joanne's Journal - Onsite

- Lead end-to-end design and production of brand-consistent physical planner products, managing the full lifecycle from concept through to production.
- Develop and enforce brand guidelines across all print and digital touchpoints, maintaining rigorous visual consistency across every product format.
- Oversee quality control across all design outputs, managing file versions and ensuring artwork meets production standards ahead of every launch.

UX & Visual Designer

Mar 2025 - Feb 2026

Freemans Ltd - Bradford, Hybrid

- Produced high-fidelity design assets and layouts in Adobe CC and Figma, ensuring consistent adherence to brand guidelines.
- Managed multiple concurrent projects simultaneously, balancing tight deadlines while maintaining accuracy and quality.
- Collaborated cross-functionally with development, product, and brand teams to ensure design outputs met both creative and technical specifications.

UI & Graphic Designer

Jun 2022 - Aug 2024

PiKCELLS & ONFIGR - Huddersfield, Hybrid

- Created and delivered graphic and UI design assets across multiple platforms and brands, maintaining accuracy and brand consistency from concept through to production.
- Partnered with developers, product owners, and brand teams to ensure designs met creative briefs and technical production specifications.
- Produced visually compelling assets across print and digital formats, demonstrating strong attention to detail and rigorous brand accuracy.

Graphic Designer Intern

Nov 2020 - Jan 2021

Yidan University Education Foundation - Hong Kong

- Designed print and digital marketing collateral, producing brand-consistent communications and educational campaigns.

Graphic Designer Intern

Jul 2020 - Oct 2020

Telford International Company Limited - Hong Kong

- Produced branded design assets across print and digital formats, contributing to brand identity in visual communication, typography, and brand accuracy.
